

AMIT MANNA

Assistant Manager | Loan Syndication & Agency Operations | Commercial & Corporate Banking Operations

Gurugram, India | +91-8918528110 | akrmanna95@gmail.com | linkedin.com/in/amit-manna-672a85343 | Experience: 6+ Years

EXECUTIVE SUMMARY

Results-driven Banking Operations professional with 6+ years of progressive experience across Loan Syndication, Agency Operations, Bilateral Lending, and Commercial Lending at National Australia Bank (NAB) and Bank of America. Proven expertise in loan fulfillment, credit agreement review, deal closing, facility setup, and risk & regulatory reporting across primary and secondary loan markets. Demonstrated success leading cross-border teams and collaborating with stakeholders across London, Paris, and New York to drive process migration, operational excellence, and business transformation. Skilled in team leadership, stakeholder management, and process improvement, with a track record of reducing turnaround times, resolving high-volume reconciliation breaks, and earning approver-level authority within six months. Recognized with Star Performer and Spot Awards for consistent delivery and subject-matter expertise. Seeking to leverage deep loan operations knowledge and leadership capability in an Assistant Manager / Manager role within Corporate or Investment Banking Operations.

PROFESSIONAL EXPERIENCE

Assistant Manager / Analyst II — National Australia Bank (NAB)

Jul 2025 – Present

Gurugram, India (Global collaboration: London, Paris, New York)

- Leads end-to-end loan fulfillment activities across Agency, Bilateral, and Syndicated deals, including amendments, deal closings, reallocations, and joinders, ensuring accuracy and full regulatory compliance.
- Manages a diverse portfolio of Agency, Bilateral, and Participant deals, coordinating with global stakeholders across London, Paris, and New York to ensure timely execution.
- Executes Swift payments, day loans, amendments, and deal closings with precision, maintaining zero-error processing standards on high-value transactions.
- Owns Risk and Regulatory reporting for the Syndications portfolio, delivering accurate, audit-ready reports to onshore leadership.
- Partners with onshore business teams to drive project implementation, process improvement, and operational migration initiatives across London and Paris.
- Built cross-functional relationships with global teams following an internal relocation from London to New York, deepening expertise in Agency and Bilateral lending operations.
- Serves as a key liaison between onshore and offshore teams, strengthening operational alignment and turnaround efficiency on complex syndicated transactions.

Team Lead / Analyst I — National Australia Bank (NAB)

Jun 2023 – Jul 2025

Gurugram, India

- Resolved 500+ reconciliation breaks within the first two months of the role, sharply improving data accuracy and operational efficiency.
- Led the seamless transition of the Syndicated Loans project from London to India, coordinating a multi-phase process migration with zero business disruption.
- Built and implemented robust Risk & Compliance reporting structures, strengthening regulatory oversight and audit readiness.
- Managed and trained a team of 7 analysts, improving team integration, productivity, and delivery quality.
- Stepped into acting-manager responsibilities during leadership absences, ensuring uninterrupted team performance and delivery.
- Resolved multiple client and stakeholder escalations with consistent, timely outcomes, reinforcing trust with onshore partners.
- Earned approver access within six months; awarded Star Performer and Spot Award for sustained excellence and recognized by the onshore team for collaboration and delivery quality.
- Developed deep proficiency across LoanIQ, Intellimatch, GSS, GMM, ClearPar, Datanet, and Syntrak while managing Credit Agreements, loan reallocation/refinancing, and amendment/upfront fee processing.

Team Developer — Bank of America

Jan 2022 – Mar 2023

- Managed 350+ syndicated loan deals as a Participation Bank, ensuring smooth end-to-end processing of rollovers, conversions, paydowns, advances, and fee payments.
- Conducted multi-currency payment reconciliation and resolved debit/credit discrepancies, driving efficient clearance of past-due items.
- Processed Deal Change, Pricing Change, and Loan Change transactions with a high degree of accuracy across a high-volume deal pipeline.
- Corrected loan balances and updated pro-rata shares, safeguarding data integrity across the loan book.
- Utilized LoanIQ, GIN, and internal associate tools to manage seamless transaction processing and reporting.
- Maintained formal communication channels with partner banks to resolve deal-related queries and ensure clear, timely resolution.

- Trained and onboarded new team members, accelerating their integration and productivity.
- Served as Subject Matter Expert (SME) leading a team of 4, managing escalations, exceptions, and team performance metrics.

Financial Analyst — eClerx Services Ltd.

Oct 2020 – Jan 2022

- Delivered Agency Servicing support as an Agent Bank within the Loan Syndication department, ensuring timely resolution of client queries.
- Processed syndicated loan transactions using LoanIQ, ClearPar, SafeCash, Safe GUI, DebtDomain, and Intralinks, maintaining high accuracy across online bookings.
- Executed repricing/rollovers, paydowns, borrowings, admin fees, interest payments, and Payment-in-Kind (PIK) transactions.
- Resolved position discrepancies, payment discrepancies, missing funds, and notice/datasite requests for global stakeholders.
- Processed interest and rate change notices with accurate, timely system bookings.
- Maintained consistent communication with onshore stakeholders to resolve deal-related issues and inquiries.

Business Relationship Manager — Centre For Monitoring Indian Economy (CMIE)

Jan 2020 – Oct 2020

- Managed the Maharashtra and Goa B2B region, delivering analytical tool training to clients across Banking, Investments, and Transfer Pricing sectors.
- Delivered tailored client training and strategic business recommendations, driving a 20% increase in client efficiency.
- Oversaw backend service operations and maintained client accounts, ensuring seamless payment and receipt management.

Intern, KYC Verification — HDFC Bank

2020 (3 Months)

- Led a KYC documentation and verification project covering savings/current account opening, personal/business loans, two-wheeler loans, credit cards, and auto loans.
- Streamlined KYC document verification, reducing account opening and loan processing time by 20%.
- Implemented enhanced document verification procedures that decreased fraudulent applications by 15%, while ensuring full regulatory compliance.

PROFESSIONAL ACHIEVEMENTS

- Star Performer Award and Spot Award recipient for consistent excellence in loan operations delivery.
- Attained Approver Access within six months — recognized for fast mastery of complex loan operations.
- Recognized as Subject Matter Expert (SME) across syndicated loan operations and platforms.
- Led successful process migration of the Syndicated Loans project from London to India.
- Directed leadership and training initiatives for teams of up to 7 members.
- Managed project transition and risk reporting responsibilities across global banking teams.
- Sustained global collaboration with stakeholders across London, Paris, and New York.
